

**North Lanarkshire Titans
Basketball Club**

**Senior Men
Head Coach Required**

About the Club

North Lanarkshire Titans Basketball Club was established in March 2014. We are an inclusive basketball club working across areas of North Lanarkshire - Coatbridge, Airdrie, Wishaw and Motherwell.

Our mission is to use basketball to bring together communities of children, young adults and senior members to provide a platform to learn and develop the sport of basketball. Our staff believe in implementing Positive Coaching Scotland ethos within our classes to encourage, support and help each participant become more confident, develop them as a player and use the social benefits of sports to build more confident individuals. We fully believe success is not just about what happens on court but the life skills, lessons and information they learn and gain which they can carry throughout life! We pride ourselves promoting a positive and respectful culture for each participant to enjoy learning and developing their basketball skills in a safe and enjoyable environment.

Our Senior Men setup has saw plenty of success of past few years going from Division 4 to Division 1 and a Cup triumph too. Next level is to compete in Division 1 (SLBA) with aspirations to stepping up to National League level.
